Dear All,

Rotvantage Technologies Pvt Ltd is a pioneering force in the realm of cutting-edge technological solutions, seamlessly blending innovation with expertise to redefine the landscape of digital transformation. Established with a vision to empower businesses through transformative technologies, Rotvantage Technologies has emerged as a dynamic player at the intersection of innovation and industry. The company's unwavering commitment to excellence is reflected in its diverse portfolio of services, spanning from software development and data analytics to artificial intelligence, Robotic and cloud computing.

Rotvantage Technologies Pvt Ltd stands at the forefront of a transformative initiative mandated by the Ministry of Education—the establishment of School Innovation Councils (SIC) and Institution's Innovation Councils (IIC) across our state. In response to this directive, our company is taking a proactive role in fostering innovation within educational institutions.

As part of our commitment to this initiative, we extend our support to schools in establishing their School Innovation Councils and Institution's Innovation Councils. Rotvantage Technologies is proud to offer comprehensive assistance in navigating the complexities of this initiative and association with resource persons from NIT Calicut, and Kerala Startup Mission (KSU) etc. We bring a wealth of expertise to ensure the smooth execution of the establishment process.

Our service commitment extends throughout the mandatory sessions prescribed by the Ministry of Education. This encompasses the timely conduction of nine SIC sessions, the submission of detailed reports for each session, and the arrangement of experts from various industries for offline sessions (with fees to be borne by the school). If you find our services aligning with your institution's objectives, we welcome the opportunity for a more detailed discussion to address any queries & explore how we can contribute to the success of your School Innovation Council, Institution's Innovation Council.
